

**Faculty of AgriSciences  
Mendel University in Brno**

**would like to invite you to the PhD students conference**

# MendelNet

**that will take place**

**On November 10-11, 2021**

**at the site of Mendel University in Brno,  
Zemědělská 1, 613 00 Brno, Czech Republic**

Attendance is free of charge. The conference is competitive. The official languages are English, Czech and Slovak.

The electronic version of the conference proceedings will be evaluated for coverage  
in the Clarivate Analytics database.

**We will do our best to organize traditional „on-site“ conference. However, due to highly inconsistent covid-19 government response across Europe we are unable to guarantee this.**

For current conference programme, please go to [mendelnet.cz](https://mendelnet.cz).

**The following sections will be covered:**

- **Plant Production**
- **Animal Production**
- **Fisheries and Hydrobiology**
- **Agroecology and Rural Development**
- **Wildlife Research**
- **Food Technology**
- **Plant Biology**
- **Animal Biology**
- **Techniques and Technology**
- **Applied Chemistry and Biochemistry**
